Power Assist Perfection + Tire Changer Protection

The RV1 Wheel Guardian™ [tire changer](#) is a revolutionary wheel service offering by Ranger Products. This touchless tire machine is designed to break beads and swap tires faster than virtually any other design on the market. Eliminate the manual hassle of changing tires when you go touchless!

Why risk the chance of damaging expensive wheels when you can go touchless? With the Ranger RV1 Wheel Guardian, tire irons and levers become a thing of the past!
